FULL SCALE EXERCISE

Water No Works

Focus areas:

- Evacuation capabilities
- Transfer process
- Inter-facility tracking
- Surge capabilities
- Inter-agency communications
- Chain of command application

September 19, 2018

1:30-4:00 pm

Multiple sites within Health District 2 boundaries

Exercise Goal

To improve interagency coordination among long-term care facilities and community partners in response to a facility evacuation due to water disruption.

Please contact Kate Wilson if your organization is interested in participating:
